Mr. and Mrs. Robert E. Dugan of 54 Cooley St., Agawam, announce the engagement of their daughter, Marsha Ann to Patrick Eugene Finck, son of Mr. and Mrs. Frank J. Finck, Jr. of Junction City, Ohio.

Miss Dugan, a graduate of Agawam High School and Springfield Technical Institute, is employed in the office of Dr. Donald G. Fahy in Westfield.

## "Dinner Ready" Says UNICO

General Chairman Francis Capitanio announced that all is ready for the 8th annual UNICO macaroni dinner to be held Thursday, Feb. 27 at the Agawam Junior High School with continual servings from 4:30 to 8:00 p.m.

Co-chairman Joseph Masucci noted that after meeting with committee chairmen this week, a record turnout is expected on the basis of early ticket returns. Last year's dinner attracted well over

1000 people and being a family style dinner, entire families take advantage of an evening out together.

All funds derived from this dinner are awarded in scholarship form to needy students each year.

President Gus Bartolucci, general chairman Francis Capitanio, and Joe Masucci, along with the entire membership of the Agawam Chapter of UNICO, invite you and your family to this gala event Thursday evening.

## Art Exhibit Today At Junior High

Local artist, Andrew Gallano, who operates an Art Studio at 891 Main St., Agawam, will exhibit 35 paintings at the Junior High School. The exhibit will be held in the Band Room during the UNICO supper program 4:30 to 8 p. m. today.

All visitors are welcome to view the paintings.

## Zoning By-Law Issue Slated For Town Meeting March 8

In a recent statement from George Baumann of Reed St., Agawam, the following information was received:

"Once again in Agawam, there arises the issue of changes in the zoning by-laws. Typical of the changes sought is that slated to appear before the annual town meeting on March 8th, involving the lot at the corner of Reed and Main Streets. The owners seek to have this rezoned from Residential A to Business.

Those favoring the change use the same time-worn and for the most part misleading arguments that this zoning change will result in lowering the tax rate as much as ten dollars. Obviously, these are alarmists tactics. It has

been further stated that the town must attract new industry and professional people. However, it is consummately and falsely claimed that this will be accomplished by this rezoning. Carefully overlooked are the inherent disadvantages to this site: namely the congested traffic conditions at this intersection, the small size of the lot, and most important, the safety factor involving the entire student body of the Junior High School.

Why should this change in zoning be opposed? First, there is no guarantee that once the change is made, that the proposed structure will, indeed, be built. Any structure could be erected.

## Junior Women To Hold March Membership Drive

The Massachusetts State Federation of Junior Women's Clubs has asked that a "March for Membership" be held by the Agawam Junior Women's Club during the week of March 2nd through the ninth.

Mrs. Herbert A. Carpenter, president, would like to extend a personal invitation to any young woman of Agawam, under the age of 35, who would care to become an active participant in local and statewide projects for civic and cultural advancement to contact her or Mrs. Arthur H. Jarvis, first vice-president, for information concerning membership.

Scouts had as their honored guests, Mr. and Mrs. Antoni W. Romanowicz. Mr. "Tony" as he is affectionately referred to by the Scouts was given a citation for his service to the scouts during their weekly meetings at the Phelps School where Mr. Tony is Custodian.

Richard Gingras, Advancement Chairman, conducted the Court of Honor. The Second Class Award was presented to Gregory Fuchs by Richard Gingras, Jr.; George Cobleigh was Master of Ceremonies and made the presentations of the First Class awards to Scott Barker, Charles Bewes, Bruce Cobleigh, Robert Geiger, Francis Marchand, Jr., and Gregory Roberts. The recipients of the Life Scout Award were Ronald Richard and Glenn Tatro and were presented by Assistant Scout Executive, Herky Foster.

David Marshall, representing the Lion's Club which sponsors the Troop accepted the Charter

The Patronal observance will begin with the service of Holy Communion at 5:30 p. m. with the Vicar of the church, the Rev. John S. Tyler, officiating. Taking part in the service will be two Canons of the Diocese, the Very Rev. Rush W. D. Smith, editor of the Pastoral Staff, the Diocesan magazine and the Very Rev. W. David Crockett, recently appointed assistant to the Bishop of the Diocese, the Right Rev. Robert M. Hatch, D.D.

At this service a letter of greeting from the Most Rev. John Richard Richards, Bishop of Wales, will be read to the congregation. Bishop Richards is the 122nd in succession to St. David, first Bishop of Wales and renown church leader. St. David was a Bishop of the sixth century and one famed for his saintliness and godly learning. Under his direction 12 monasteries were built to strengthen the work of the church in Britain.

### PARISH SUPPER

Following the service there will be a covered dish supper in the parish hall. Canon Crockett

## Community Grange Program March 4

The next meeting of Community Grange will be held Tuesday evening, March 4th at 8 o'clock in the Grange home on North West St., Feeding Hills. During the business meeting applications for membership should be presented as this meeting will be the last opportunity before the degrees are conferred on March 18th.

Mr. and Mrs. Richard J. Curry of South West St., Feeding Hills, will be guests and talk of their hobby which is probing into American antiquities. They have many Indian relics and artifacts, guns and military equipment gathered from pre-Revolution Indian and colonial settlements now abandoned. Their many interesting experiences in collecting this material makes an absorbing story.

The annual maple sugar-eat of the Grange will be featured during the social hour following the program. The committee in charge of refreshments is Earl Bradway, Mrs. Agnes Raison and Mrs. Katherine Blaszak.

## Eyesore Remodeled

There is a definite difference in the before and after photographs above graphically point out the beautification program, undertaken as company policy, by Gastown, Inc. Even the grounds adjacent to Gastown's newest

service center, on Suffield Street, at the corner of South Street, have been beautified and landscaped and the new Gastown has been completely modernized, inside and out. The Colonial style architecture was selected as most

appropriate for the area, and the sparkling clean facility, with its distinctive yellow and red Gastown symbol, offers Agawam residents the very finest in gasoline and oil products at substantial savings.

Gastown, Inc., celebrates the Grand Opening of this, the newest service facility in their growing organization. Area residents are invited to visit the Southgate Service Center during the Grand Opening celebration.

## Zoning By-Law . . .

(Continued From Page 1) including a gas station or garage.

Secondly, suitably zoned property is now available in the town for the proposed type of investment.

Thirdly, speculators should not be encouraged to buy in residential areas with the intent of having the zoning changed to their personal financial gains. This results in "spot zoning" which undermines the faith of the entire residential community. Obviously, what happens in one neighborhood today can happen in yours tomorrow."

## Those "Hidden Costs"

A practicing physician of a large western city, specializing in obstetrics and gynecology, has analyzed the so-called "hidden costs" of medical care. In 1949, this physician's charges were lower than now, but so were his costs. In 1949, he charged \$125 for delivering a baby. Today the figure is \$225. Similar increases apply to his other charges.

The reason for these increases sound familiar. Instead of paying \$2.50 a foot for downtown office space, this doctor now pays \$6.00 per foot. Instead of \$125 per month for nurse and secretary, he now pays over \$500 per month. And so it goes through a long list of overhead expenses which have doubled or tripled in the last 20 years. One of the largest cost increases results from maintaining an elaborate system of books to meet requirements of governmental agencies. The doctor, however, feels the patient today is getting a much better bargain than her mother did and adds, "The real culprit...is...inflation...the greatest source of 'hidden costs' in the private practice of medicine!" The Doctor adds that we should not "fall into the trap of thinking that the government can do it cheaper..."

Many of us have a curiously blind spot about inflation. We consider it eminently reasonable that our own charges for our goods or services should be two or three times what they were 20 years ago. Yet we are almost invariably shocked to find we must pay similar increases for the services or goods of others. We seem unable to grasp the fact that inflation exacts its toll in every walk of life. Medical care is no exception.

**SPORTSMEN'S CORNER**

By BILL CHIBA

The Happy Valley Sportsmen Club will host the County Council of Sportsmen Clubs Thursday night at the Chicopee Community Center. Frank Ladue, president of the Happy Valley, has obtained a commitment from State Rep. Roger Bernashe to attend the meeting and discuss various bills that are either through hearings or to be heard by the Natural Resources Committee.

While talking with Frank, he remarked that his club has been offered the use of 300 acres of land in West Hampton by a conservationist in that area. Frank's club, Happy Valley, is not in the market to purchase property.

It's goal is to find land and streams in Western Mass., that will be made available to the club and its members in order to carry out their wide program of supplying recreation to the public that desires it. Buses are available to transport children and adults to the woodlands for picnics and camping. Nature seminars are in the planning stage and more will be released about them at a later date.

**RECORD DONATIONS**

Charles B. Allen, president of Ducks Unlimited, reports that the pioneering waterfowl conservation organization has received an all time high of \$1,643,932—a significant increase of 400,000, over the previous record, set in 1967.

Ducks Unlimited, Inc., raises the funds for its waterfowl, wetlands projects through contributions from conservation-minded individuals and groups in the U. S. and Canada; forming the foundation of DU's programs are 51 volunteer state committees, each striving for an annual goal for contributions and members.

North of the border, 1968 was also a record-breaker in the "duck factory" building business, as Ducks Unlimited (Canada) completed an impressive total of 39 project programs, encompassing over 129,500 flooded acres of wetlands. Winter work continues on 13 other projects, several of which are expected to be finished before spring arrives.

During '68, DU (Canada) expended more than \$1-million programmed for its construction projects. Since its founding in 1937, DU, Inc., has collected a total of over \$17,000,000 for its vital conservation programs.

**STOCKING PLANS MADE**

The Sandisfield Rod & Gun Club Fish Chairman, Renzo Balboni, is planning a trip to the fish hatchery in Conn., to purchase the annual allotment of trout for stocking in the Buck, Clam and Farmington Rivers.

It has been a policy in the past to stock the trout in season. However, Renzo and his committee have decided to stock before the season this year. Too many truck followers and fish hogs, Renzo reports; the fish were taken before the general public could get a shot at them.

The pre-season stocking will give the fish a chance to acclimate themselves to the stream and the available natural feed, grow slightly wild, and make catching them a contest. 300 will be purchased this year. The club decided to forego the purchase of snowshoe hares this season.

In 1968, 201 10 to 11 inch rainbows and browns . . . 101 11 to 12 inch trout plus 10 16 to 18 inch rainbows purchased and donated by Matt's Sport Shop, Joey Montagna, George Ellsworth and the Meadows Sporting Goods were stocked in the Buck, Clam and Farmington Rivers.

Membership dues are used specifically for stocking fish for the fishermen. This is the primary function of the club. The dues are \$2 per year, and you can join and do your part by contacting Mr. Arthur Charron, Treasurer, Sandisfield Rod & Gun Club, 162 Columbia St., Chicopee Falls, Mass.

**Big E College Queen Scholarship To Be Awarded For 8th Year**

For the eighth consecutive year, the Eastern States Exposition will award \$750 to a New England college queen selected winner in the Big E's college queen scholarship program, it was announced today by Wilfred B. Young, Exposition president.

College girls who wish to participate in the competition must be single; enrolled in an accredited New England college for under-graduate or graduate study for the 1969-70 college year; be in good academic standing; and must have been selected "queen" of a student-sponsored event at an accredited New England college during the 1968-69 college year. Men's, women's, teachers' and junior colleges, as well as co-educational colleges, are included.

"As the emphasis on education becomes increasingly more important and more expensive, the Exposition is proud to continue to assist deserving youths, as they prepare for the future," Young said. The college queen event is just one of the Big E's numerous scholarship awards and youth activities for which the Exposition expends thousands of dollars, according to Young.

Preliminary interviewing of candidates will take place at the Exposition grounds Sunday, May 18. Finalists will be invited to return to the Big E for final judging Sunday, Sept. 14, during this year's fair slated for Sept. 12-21.

Recently I read of a newspaper publisher who seemed to always get some word out of order or misplace the periods and commas.

Here is his sad story:

It seems that a man with a sewing machine to sell placed a classified ad in his paper. The next day the ad appeared and then was followed in subsequent days by three more ads as follows:

Monday

**PROMENADERS**

Peg and Bob Shoemaker

March may be coming in like a lion, and we hope it does, but the Agawam Promenaders will be warming up the atmosphere with an old fashioned square dance, Friday, Feb. 28 at the Robinson Park School auditorium on Begley St.

Calling the squares to dance time will be club caller Al Besette and special refreshments will be served by the new refreshment chairmen, Gwen and Vint Gregory. A feature of the evening will be the awarding of surprise gifts as door prizes. Anyone may attend.

The Promenaders have also volunteered to do their bit for St. John's Church Building Fund since some of the members belong to both groups. So they have arranged to do a square dance number in the variety show to be staged by the church Guild on March 14 in the auditorium of the high school. The second rehearsal for the show number was held Thursday at the Besette home on Walnut St. Not only did Al Besette and his charming wife, Gloria, invite the members to rehearse at their home, but Al agreed to call the numbers in the show . . . that's our boy!

Making the rehearsals have been: Elaine and Al Taupier, Marge and John Ferrara, Teddy and Ed Moriarty and the Shoemakers, all of St. John's, and Lindy and Dick Davis. Anyone who has never had an opportunity to see how Western style square dancing is done might enjoy seeing this number in the "Come Back to Erin" variety show at 8 p. m., March 14 in the Agawam High School auditorium.

Adding to our firm conviction that it is the depth and variety of the human element that is the real excitement in life, and you never know what potential or talent you're sitting next to, was our discovery that Al Besette had his own square dance radio show a few years back. He played some of the tapes of those shows for us at a rehearsal. They were done with such friendly finesse and good humor it made us wish we had been around to hear the originals.

Oh well—we're all here now to square up everybody and let's go!

**'Y' Distributes****Birthday Calendars**
